REMARKS

By Amendment dated 3/28/2006 Applicant submitted replacement drawing sheets 14/41 through 18/41 to overcome the Office's objection of these drawings. See Office Action dated 11/28/2005.

Through inadvertence, counsel for Applicant submitted replacement sheets containing drawings from another related, but different application. The submitted drawings were similar enough that they were accepted by the Office. The undersigned did not spot this error until preparing continuation papers for this file.

Thus, these amendments delete the replacement sheets submitted on 3/28/2006, and replace them with the sheets that should have been filed (and were intended to be filed) with the amendment dated 3/28/2006. No new matter has been added.

CONCLUSION

With this correction, Applicant submits that the Application is in condition for allowance. The Commissioner is hereby authorized to charge to deposit account 12-1322 (020569-05007) any fees necessary to make this and related papers timely and effective.

If the Office has any questions, it is invited to contact the undersigned as listed below.

Respectfully submitted,
